Report of the Resolutions Committee 2021 post XXX Virtual General Assembly, 21-30 March 2021

For the attention of The President BPW International and the International Board

1. Nineteen (19) Resolutions were proposed to the XXX General Assembly held virtually from 21-30 March 2021. Two internal resolutions were debated and voted upon according to the agreed Standing Orders; ten external resolutions were presented without debate and two passed as amended and eight without amendment. Seven internal resolutions were not presented; six because of time constraints and one because its presentation depended on another resolution failing and this did not happen.

- Resolutions passed are listed in Appendix A
- Resolutions verified as valid by the Resolutions Committee but not presented are listed in Appendix B
- Emergency resolutions received but deemed outside the criteria of the Standing Orders are listed in Appendix C

2. Also, to be taken into consideration will be the impact of the Internal Resolutions that were approved at the General Assembly having a constitutional and procedural effect on the governance documents. Any changes to the governance documents will be communicated to the Chair of the Constitution Advisory Committee for incorporation into those documents.

Recommendations:

1) That the internal resolutions not presented or debated at the XXX GA, as listed in Appendix B, be automatically included in the set of resolutions for the XXXI Congress unless withdrawn by the movers.

2) That the incoming Resolutions Committee Chairperson be selected by the Executive and formally appointed by the President within 3 months of the triennium. Forming the committee early will ensure that a regional spread of members is possible and will allow training in this role to ensure succession planning for the future.

I am very grateful for the support and expertise of Executive Secretary Bessie Hironimus and International President Amany Asfour in ex officio roles on the Resolutions Committee and for the advice of CAC Chair Sylvia Perry.
